## Take us with you!

Signal Service website and services are now available on the go! Access your alarm, camera system or view user manuals all from the convenience of your computer or smart phone.

## New Signal Service Website!

Signal Service is pleased to announce the launch of our new and improved website. We are excited to provide a more comprehensive source of company information and services.

The primary objective of the new website is to deliver full access to the latest technology and offer our subscribers a convenient option to obtain materials and services whenever and where ever they need it. "We decided to analyze our website so that it was user-friendly for both new customers and our existing subscribers. We wanted to add features that would help our subscribers stay connected with their security system," said Mark Wilson, Owner and General Manager of Signal Service.

The new website is currently launched. Go to [www.signalserviceinc.com](http://www.signalserviceinc.com) to view and demo the new features. Check back often or read the Newsletter to learn about the latest services our website has to offer!

## Save Time... Save Trees

Did you know your monitoring bill can be paid automatically each month with your credit card or bank account? Just complete the below portion and mail it back. We will do all the work!

## Customer Referral Program

We value your business and appreciate your referrals! Should any of your referrals result in a Signal Service security system being installed; your account will be credited fifty dollars (\$50.00).
